

Fritter User Test

1. Specify Tasks for the User completed for your user test

- Task 1: User upvotes another user's freet, then removes their upvote
- Task 2: User follows another user, then checks their feed
-
- Task n: User refreets another user's freet

2. Summary of Observations

Discuss your observations you had as you observed your user go through the tasks you provided them.

3. Changes in Responses to UI

Note any changes you will make to your UI in response to what you observed from your user test.
